## Pray for Tamil Nadu, India

We partner with Church Planting International to plant churches in Tamil Nadu (state), India. CPI exists to help fulfill the Great Commission by planting churches. The majority of people in India live among 600,000 villages, most of which have no church at all. CPI's goal is to plant 25,000 church by 2020. We specifically pray for and support Pastor Gopinath of New Life Assembly in Mamzipuram and the Joy Children's Home in Madurai. Pray for the CPI trip this month.

## Pray for the Persecuted Church

Please pray specifically for the Bangladesh. Bangladesh Christians report an urgent situation that is causing a lot of panic. After threats from a Muslim neighbor, a mob gathered during the night outside the house of Bangladeshi Christian couple, Nasima Begam and Azgar Ali, destroying their home and planting a cornfield in its place. The couple had planted a church in the area and refused to convert to Islam; the church has also been ransacked and materials destroyed. The couple is now in hiding. The intensity of the situation has struck fear and fueled panic among local Christians. There is deep concern the attacks may cause some to return to Islam.
